To: Leo Kelly  
Chairman, Loudoun County EMS Council

Physicians Transport Service (PTS) would like to request non-voting membership status to the Loudoun County EMS Council (LCEMSC). Since 2003, PTS has operated an ambulance from the Cornwall Campus of Loudoun Hospital in Leesburg. Almost a quarter of our calls come from patients in Loudoun County. The management of PTS feels that joining the LCEMS would improve the continuity of care for our Loudoun patients.

Kate Passow would serve as the primary delegate with Jamie Barteau acting as the alternate delegate.

We look forward to seeing all of you at a future meeting. If you have any further questions please do not hesitate to contact us at the above number.

Sincerely,

Kate Passow  
Deputy Chief, Disaster, Education and Special Projects
